## New Horse Committee Will Meet

YORBA LINDA—A special meeting of the Horse Committee will be held March 10, at 6 p.m., in the Council Chambers of City Hall to review a conditional use permit filed for the establishment of an equestrian center at the Anaheim Water settling basin at Buena Vista near the freeway.

The committee conducts public meetings on the first Tuesday of each month at 7:30 p.m., in the Council Chambers of City Hall.

## Teen Cabinet To Paint House Number System

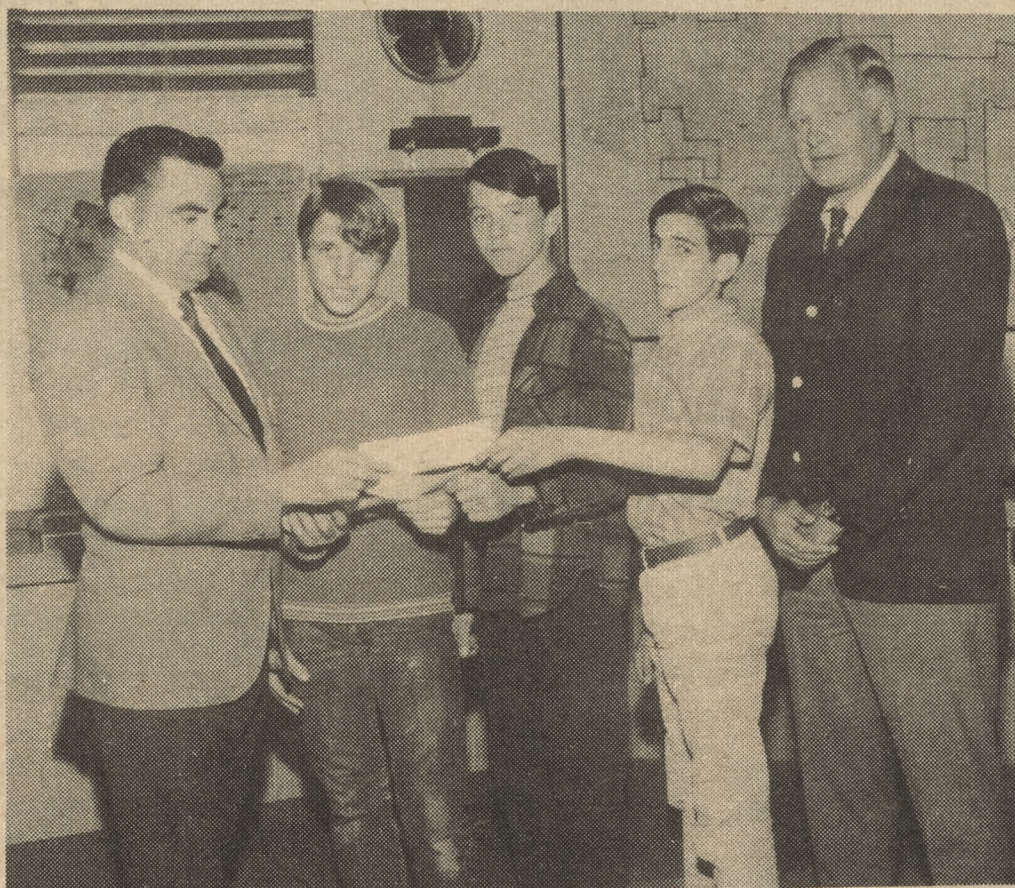

PLACENTIA - House numbers are to be painted on curbs throughout the city of Placentia as a safety measure for the residents. The operation is being planned by the Placentia Teen Cabinet in cooperation with the department of public works.

Each house number will include a design that identifies the residence as being in the city of Placentia. Designs are to be submitted by art students from Valencia and El Dorado high schools with one design being chosen for use throughout the city.

Painting will be done on weekends during the month of April by the community's youth. Workers will be paid on a commission basis, and must be at least 13 years of age.

Worker applications will be available at the recreation and parks office, 117 North Main Street, Placentia. Applications may be filed at the office until March 23.

Residents will be asked for a \$1.50 donation. The proceeds will be used to pay for supplies, workers' salaries. Remaining funds will go to the teen cabinet treasury for youth activities.

Gene Cornwell, left, Cable-Com General manager, presents scholarship checks to Steve Alley, \$50; Joe Burr, \$25; and Tim Lawson, \$50 as supervisor Bob Salmond looks on. The boys, along with Jim De Gaine, Gordon Crow and Eugene Radecki, worked for the Yorba Linda Recreation Department in the boys basketball program.

## Yorba Linda Council Will Consider Two Hearings

YORBA LINDA—The City Council will hear two appeals of Planning Commission decisions Monday night at its regular meeting at 7:30 in the city hall.

First will be an appeal by Councilman Henry Wedaa of a use permit for the Yorba Linda County Water District allowing construction of an office building on Plumosa south of Avolinda.

The second hearing will on an appeal by Councilman Rudy Castro of approval of signing for the new Security Pacific Bank being constructed at Yorba Linda Boulevard and Fairmont Boulevard.

Also on the agenda is a proposal to appropriate \$50 for use in a city seal contest. The contest will be coordinated by the new city public relations intern.

Other agenda items are a discussion of ownership rights to the Cajon Canal requested by McCabe and Houts, Attorneys, a discussion of the appointment of

members to the Environmental Control Committee, and a resolution on a population estimate by the State Department of Finance.

Councilman Wedaa has requested discussion of the adoption of a new freeway ordinance and also to again discuss special districts serving the city.

## Library Is Studying New IBM System

PLACENTIA—Conversion to a book catalog, an IBM system which will replace the conventional card catalog, was the main item of business at the Monday night meeting of the Placentia District Library Board.

The new system will put the Placentia facility in line with others participating in the Orange County public library system. According to a letter from Harry M. Rowe Jr., county librarian, the costs of converting would be about \$7,000. Mrs. Edith Ann Thurston, acting head librarian, suggested the conversion could be done under supervision by five members of the Neighborhood Youth Corps who are experienced in library work. Their work would be at no cost to the district since this is a Federally-funded project. Board members agreed to use the young people beginning now so the long-term project could be going full-steam by summer.

Plans were made for a farewell dinner March 19 in honor of Mrs. Louise Tracer, recently retired head librarian. Reservations may be made with Mrs. Thurston for the farewell event at the Californian Restaurant, 811 N. Broadway, Santa Ana.

## PUSD Must Cut \$1.7 Million From Budget

PLACENTIA—With only \$300,000 trimmed so far, the administrative staff of the Placentia Unified School District must cut another \$1.7 million out of its proposed budget for the 1971-72 school year to stay out of the red, Dr. Murrell M. Miller, superintendent, told the Board of Education Monday night.

Miller said the Placentia school district was experiencing what every school district in California is facing this year in what he described as the "worst year

financially for education in California's history."

Clyde Williams, president of the district's teacher association expressed dismay over the preliminary budget cutting, fearing that many teacher positions would be cut in this crisis.

He blamed the district for failing to use guidelines set up during budget cutting last year. "We went through much of this same crisis last year and the budget advisory committee adopted 21 items as a guideline for avoiding a crisis this year."

Dr. Miller promised a firmed up preliminary budget for the board's review as quickly as humanly possible.

In other action the board:

Adopted the 1971-72 high school curriculum including 13 new courses, but eliminated one, entitled "Alienation In Literature."

Approved the formation of a curriculum council made up of teachers, parents and administrators.

## YL Planners OK Permit Extension

YORBA LINDA—The Planning Commission approved a request by Milton Silverman for an extension of time on his permit to relocate a house on Tiki Torch Lane at its regular meeting Monday night.

Commissioners also continued a tentative tract map to March 22.

## City Council OK's Condominium Zone Change On Valencia Ave.

PLACENTIA — The City Council approved a zone change requested by Harvey Berger for property on the southeast corner of Golden Avenue and Valencia Avenue just north of Koch Park from R-1 to R-G-CC-PUD.

The zoning places the garden apartment zone under the restrictions of both the Civic Center ordinance and under the recently approved Planned Unit Development or condominium ordinance, assuring greater controls over the development.

Councilmen authorized a study of the city's arterial street system under the federally-funded TOPICS program for upgrading street safety and relieving congestion on city streets.

A zone change requested by Bradford Brothers for a small parcel on Bradford Avenue from R-1 to R-G was also approved. The parcel will be added to the Smith

condominium development proposed to be built just to the east.

Councilmen also approved finalization of construction plans on the Little League snack shop to be built in Tuffree Park.

## General Plan Hearings Begin In Yorba Linda

YORBA LINDA—The first in a series of public hearings on the proposed General Plan will be held tomorrow evening March 11 at 7:30 p.m. in the council chambers at city hall.

The hearings will cover the various elements of the new plan, prepared by Lampman and Associates over the past year. All interested persons should attend and express their opinions.

Placentia Public Works Director Gerald Hendricks and his secretary Carol Ellis display one of the new green and white street identification signs now being placed in new tracts. The new signs will replace the present yellow and green signs as needed.

## Miss Segovia Selected As Royalty Candidate

Miss Rosemary Segovia, daughter of Mr. and Mrs. Alex Segovia, 913 Cypress Avenue, Placentia, will serve as queen candidate from the Placentia chapter of the League of United Latin-American Citizens at the group's state convention in Palm Springs on May 29.

The young Valencia High School student is president of the Placentia Junior LULACS and secretary of the California State Junior Organization.

Although Miss Segovia is

attractive enough to win the contest strictly on her appearance, decision in the state contest will be decided on the number of tickets sold. Tickets are available for a 25 cent donation, her father, who is president of the senior Placentia Council, explained. Tickets are now available from any member of the LULACS, Segovia said. Proceeds from the ticket sale will be used for the operation of the organization, which is a self-sustaining effort, he stated.

## Health News . . .

### Your Head Hangs Heavy In a Whiplash Accident

Rear-end auto collisions are the most frequent cause of cervical spine injuries, according to Dr. Donald Brinkley, of the Brinkley Chiropractic Centers. Dr. Brinkley recently stated that approximately 85 per cent of the cervical disorders he has studied were the result of auto crashes.

Dr. Donald Brinkley

Only about 15 per cent of these crash injuries resulted from head-on or side collisions, he said.

"The amount of damage to the crashing auto is not a reliable indicator of the damage to the passengers," Dr. Brinkley noted. "Most cervical disorders start with sprains, and most sprains are caused by the action of the 8 to 12 pound human head as it snaps backward during a rear-end crash."

This head snapping action can produce an impressive variety of muscle tears, ligament stretching and damage to the backbone, particularly the fourth, fifth and sixth vertebrae, he added.

"The position of the head and neck at the time the force is applied determines to some extent the site of the injury," Dr. Brinkley said. "The structures which are relaxed may receive less injury than those which are taut or on stretch."

Thus, injury in a side collision may be to the side of the neck opposite

the impact. Side collisions cause a sudden lateral bending and rotation of the neck toward the side of the impact, and then to the opposite side.

Sprained or torn ligaments and capsules result in a traumatic inflammatory reaction with minute hemorrhages and

continued, even prolonged, blood leakage, Dr. Brinkley said. The inflammation may persist for months or years.

Dr. Donald Brinkley is conducting weekly health lectures at his office at 626 E. Commonwealth, Fullerton, each Wednesday evening at 7:30 p.m. There is no admission charge and the public is welcome.

"The eventual outcome is a reparative response, and injury results most often in scarring which is the usual residual of tissue damage," he said.

Tissue repair in the cervical area is slow, probably because of the meager blood supply. Under ideal circumstances, the usual healing time is six to eight weeks after injury, Dr. Brinkley said.

The scar tissue which forms is less elastic than normal tissue which means there maybe continued neck stiffness, he said.

Further information regarding this problem can be had by writing the News-Times, P.O. Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Preparing for the Orchard School fashion show to be held March 30 are, from left, Kellie Burt, Rhonda Reys and Mrs. George Gardner.

Mrs. Donald Pechek, reporting on the quality of movies and television told where members could write

## Cal State Batmen Raise A Poor Season Record

Cal State Fullerton's baseball team won 3 of the 5 games it played last week to run its over all season record to 5-12.

The squad swept a double-header from Cal State Los Angeles 4-3 and 12-0. The other win came over Chapman College 10-6. The club suffered losses to Whittier 6-1 and Redlands 10-5.

The Titans opened CCAA competition yesterday against tough Cal Poly Pomona and this weekend play 3 games on the Titan diamond against Cal Poly San Luis Obispo. Friday's game begins at 2:30 and Saturday the two clubs meet for a double-header beginning at 12:00 p.m.

Tuesday the team breaks from CCAA action to meet Azusa-Pacific College here at CSF.

Coach Fulton stated "I

am very pleased with the team's play and our wins Saturday came just at the right time because it seems our defense and offensive punch have finally jelled." He later added that his team needed this kind of momentum for the opening CCAA game.

Leftfielder Kevin McConnell hit a third inning homerun giving the Titans a 4-3 win in the first game of the double-header against Cal State Los Angeles.

Roy Maples pitched the last 5 innings in relief to shut out CSLA and preserve the win.

In the second game everybody chipped in with the contest being a 12-0 rout. It was sweet revenge after suffering earlier losses to CSLA. Pitcher Pat Carroll of CSF upped his record to 3-0 and lowered his ERA to .250.

Jim McGary continues to carry most of the offensive strength for CSF getting 4 hits in the twinbill upping his average to .524. He has been on base 45 times out of 63 at bats.

## Tiger Baseballers Hope For Victory Over Coyotes

Coach Dick Enright's Varsity baseball team will host Buena Park High School this Saturday at 1 p.m.

The Tigers have met defeat in three games this year allowing eight runs in each of the losses.

The latest blow came at the hands of Troy High losing 8-1. Valencia was able to push across their first run of the year. Sophomore Ernie Gomez walked, Drake Sheetz hit a ground ball to left field and Gomez scored from first when the ball bounced over the left fielders head.

The Bengals, despite their poor record, will be a lot tougher for this Saturday's game and should be ready for Orange League play Tuesday with the return of three players from the

Basketball team.

All three players are starters on the baseball team and could strengthen the team considerably. Mickey Day is the short stop, Dane Ilertson is at first base and Alan Perry is the pitcher.

Jerry Marmelejo is missing from the team so far this year and is out with a basketball injury. His return should put the team on the right track for an Orange League championship.

Other starters consist of Tom Oliberi, 3b, a transfer from Sacramento, Drake Sheetz, c, Sophomore Tom Ricks, 2b, and Charlie Pina in center field.

Tuesday afternoon the Bengals traveled to Laguna Beach to open Orange League play.

## Warriors Defeat Valencia Tigers In Baseball Game

The Troy Warrior's Baseball team, after demolishing Valencia 9-3 in its first game, met much stiffer opposition from Orange on Friday as the game ended in a scoreless tie at darkness after 10 innings. The Warriors could only manage three hits off the tough pitching of John Livingston. The Warriors also got good hurling from All-League John Morris and Bill Hezmahalach who scattered six hits between them.

This year's team consists of a combination of seasoned Varsity players Charlie Parker, Lance Copeland, John Morris, and Greg Back plus promising former J.V.'s Dave Lanneville, Nick Giglio, Mike Thomas, Bill Gundy, Wynnsan Moore, and Bill Hezmahalach.

Also joining the Varsity are transfer John Duir and Frosh Mark Wulfemeyer who is making a quick adjustment from hard court to diamond.

## ED Swimmers Ride Six Game Win Streak

Making it six in a row, El Dorado's swim team has broken into the big times.

El Dorado's Cee strength has been known for a long time, but now ED has graduated to the Varsity level by knocking off Sunset League power, Marina High School. Friday, Marina sailed into the Hawks pool only to find themselves upset, 53-41. The Hawk tankmen have yet to lose a dual meet with a 6-0 record.

Marina had already won the Cee CIF Relays in which EDHS was third. The Vikings had also beaten powerful Newport Harbor, however El Dorado took four firsts to take the close victory. The tankmen broke

the school record for the Medlay Relay and the four times 100 with times of 1:48.2 and 3:30.8.

On Wednesday, the Hawks opened league against Saddleback. The Roadrunners were no match for the powerful Hawk swimmers. Today the Hawks host Laguna Beach and next week Brea.

Leading swimmers have been Steve Burnett, Mike Wiegand, Gary Linschield, Steve Bond, Dale Anderson, Jim Louderbeck, Dan Kenney, and Chick Kenney.

## Jim Wray Signs On With Rams

The only graduating senior from the Cal State Fullerton football team, Jim Wray, was signed as a free agent by the Los Angeles Rams.

Wray was an All-CCAA pick at the offensive tackle position, and originally received All-League honors at Cerritos JC and Excelsior High School.

## FJC Hornets Face Two Key Games

Two key games are on tap for the Fullerton Junior College Hornets baseball team this week against Orange Coast Thursday and Mt. San Antonio Friday.

The Hornets travel for both South Coast Conference games and the action will begin at 2:30.

FJC split a double-header with San Diego City College last Saturday afternoon taking the first game 7-4 and losing the second 8-6.

Kim Cates banged out a 2 run homer in the first game of the twinbill to put FJC out in front for good.

## Cal State Titans Lose To San Diego Team

Cal State Fullerton's basketball team ended season play by losing to the University of San Diego last Monday.

The loss dropped the Titan record to 13-13 to finish the year at .500.

At one point this year the team set a new school consecutive winning record of 10 straight games.

Tony Rodriguez set a single game scoring record of 37 points and Edgar

Cheltenham, also set a new record, breaking the rebounding mark with 23 rebounds in one game.

Both players are seniors and according to Coach Alex Omaley "We are really going to miss Rodriguez and Cheltenham not only for their playing ability, but also for their leadership on and off the court."

The squad finished CCAA Conference play with a 3-4 mark.

## Mark Covert Sets New Track Record

Mark Covert of Cal State Fullerton competed in the 6 mile race at the Long Beach Relays at Veterans Stadium and broke the meet record running a time of 28:06.6.

CSF took a total of 6 firsts with teams winning the 880 and 2 mile races. Brad Powell threw the Javelin 186-11 and Steve Lafond heaved the shot put 49-7.

Covert also won the three mile race.

## ED Holds Winter Award Banquet

Wrestlers and basketballers were given awards at the El Dorado Winter Sports Awards banquet, Tuesday, March 2.

Coach Nash Rivera talked highly of his first winning Varsity in the high school's history. Sharpshooting forward Bob DeWeese was named most valuable and captain of the team. He was also the best free throw shooter with over an 80% average. Sophomore Mike Moore was named most improved and most inspirational. Senior Paul Bottorff was best defensive player and Bill Willis was best rebounder.

On the Junior Varsity level, Coach Joe Walton honored an improved team that tied for second place in league.

Tony Madau was named most valuable while Joe Bona and Bruce Osterstrom were most improved. Bona was also voted most inspirational by his team players. Ronnie Castrillo was named captain.

On the Sophomore team, freshman Dave Sherbeck was most valuable, and Chris Jones was captain. Dan Curtis was the most valuable freshman, and Johnny Moore was captain.

Jeff Johnson was most

valuable in wrestling while Don Mann was most improved, and Danny Mann

was most inspirational. All three were league champions.

## Tiger Track Squad Prepares For Tustin

Tiger relay teams are busy preparing for Saturday's Tustin Relays scheduled for 9 a.m.

Valencia traveled to Corona yesterday but scores were not available as of press time.

Loara proved a tough opponent last week as the Saxons ripped the Bengal spikers 76-51. A bright spot for the Tigers this season is senior Rick McCullough. McCullough is new to Mike Cummins' track and field program, but his 50.5 quarter mile run rates him among the best in the league. The speedy senior captured one out of only four firsts against Loara with a 51.0 440-yard race.

Another Tiger first came when junior Ken Stone won the 180 low hurdles in 20.4.

## ED Golfers To Begin Season

El Dorado's Golf team has started the 1971 season with four of eight returning lettermen.

Gary Willey, Steve Forell, Gary Melton, and Phil Offenhouser will return to lead the Hawk golfers. New additions for the Varsity are Ron Hlavac, Steve Huston, Jeff Van Winkle, and a new coach, Lee Ogsberg.

El Dorado will have 13 dual matches this year and will compete in league and CIF tournaments. The Hawks will meet Villa Park, Brea, Valencia, Laguna, Kennedy, and Savannah, twice, while going against Mater Dei once.

Vaulters Jim Collins, Ron Mooers, and Dave Rogers swept the pole vault event with Collins leaping 13'7". Collins' 13'11" performance against Sunny Hills rated him second in CIF action.

Valencia put together a winning team in the mile relay and broke the tape in 3:32.

Valencia's bee spikers managed a 52-52 tie while the cee's suffered a 60-26 defeat.

## Baseballers Win Two Of Three Games

Winning two out of three last week, El Dorado's baseball team will tangle with Los Amigos, and Troy this week.

EDHS batmen have a 3-1 record beating Santiago, Katella, and Servite, while losing to Lowell.

All the Hawk victories have been cliff hangers. Against Santiago, Phil Hendershot pitched a five hitter and the Varsity's lone run in second inning was enough to give El Dorado victory number one. Tony Madau hit in Jeff Matheisen who had singled to give the Hawks the score.

Other scores were El Dorado 6, Katella, 5 and EDHS 1-0 over Servite. However Lowell disposed of the Hawks 5-0.

## ED Track Splits In Openers

El Dorado opened the 1971 track season by winning one and losing one.

ED stomped Santiago 84-42 to open the non-league season. However on Friday, Troy stopped the Hawks 71-47. The tracksters took five firsts and four seconds.

Trent Torgerson ran a 10.4 100 to come in first while Greg Kempton won the 220 in 23.1. Bobby Johns won the 880 in 2:04.5. Torgerson, Johns, Kempton, and Wayne Miller teamed up to win the Mile Relay in 3:34.8. Mark Davenport won the shot put in 51-3 1/2.

## VHS Banquet To Be Held On March 10

Wednesday, March 10 in the Kraemer cafeteria, Valencia will hold the 1971 basketball banquet. Proceedings are scheduled to begin at 7 p.m.

Varsity trophies to be presented to the Orange League runners-up include most valuable, most inspirational, most improved, leading free throw shooter, and leading rebounder.

Parents are asked for a \$1.50 donation towards the dinner, while the players and special quests are being served free.

## Tiger Fish Overcome Laguna Beach 86-9

After an 86-9 dunking of Laguna Beach in the season opener, Tiger swimmers host Sonora today as Orange League competition continues.

Valencia allowed the Artists only nine points on the varsity level, while the bee and cee teams swamped their league foes 25-60 and 7-69 respectively.

Tiger tankmen gave excellent performances on all three levels. Junior Don Gresham broke the varsity

400-yard freestyle record with a 4:18.6 against Laguna. Dave Duffie topped the previous 100-yard breaststroke record in 1:04.5. Dave Turnquist claims the top bee mark in the 200-yard freestyle in 1:59.0, and Bob Binswanger broke the cee 100-yard freestyle record and shortened it to 56.3.

Diver John Quintana secured a first place in competition over the Artists. Quintana tallied 40.65 points. John Chipman aided the Tiger cause with a fourth place. Currently, coach Jim Lock has recruited several boys and is having Quintana and Chipman teach them diving techniques.

Pool action continues this week as Troy's Warriors challenge the Tigers in the VHS tank at 3:15 Friday.

## ED Tennis Team Has 1-2 Record

After a shaky week of tennis, El Dorado will try to get above the .500 mark before league begins.

Owning a 1-2 record, the Hawk netmen meet Los Amigos and powerful Troy this week before going into league next week.

El Dorado opened the season with a 25-2 1/2 victory over the hapless Santiago Cavaliers. However the going got rough with the Katella Knights beating the Hawks, 19-9. El Dorado still showed signs of weakness with Lowell slipping past the netmen 16-12.

Freshman Dave Sherbeck has lost only one match (to Katella) and won 11. Senior Bob Backes has won ten, losing to Katella and Lowell.

## Pony-Colt Tryouts Set Saturday

Sign-ups and tryouts for Pony-Colt baseball will be held Saturday, March 13 at 12 noon on the El Dorado High School field. Boys ages 13 and 14 are invited to sign-up and try out. All boys should bring a glove.

## Mon Ami To Honor Associate Members

The Associate members of Mon Ami Auxiliary of Children's Home Society will be guests of honor at a luncheon and layette shower to be held on Saturday afternoon, March 20, in the Community Room at Glendale Federal Savings and Loan Association in Fullerton.

Mon Ami members will be thanking these very special women for their support of the auxiliary by spreading information about Children's Home Society to their friends and neighbors, by their financial assistance, and by supporting Mon Ami's fundraising activities.

Mmes. Bruce Adams, Herbert Carson, Raymod Corrigan, William Coston, Robert Etheridge, Robert Fluehe, Gary Goff, Jerry Kuhn, Larry McKnight, Herbert Neuman, L. H. Pinson, Ronald Thompson, Gene Vincent, William Yates, and Ted Shipkey will be guests at a salad luncheon prepared by Mon

Ami members.

Following the luncheon, the women will open the gifts of clothing that later will be donated to the infants under foster care of CHS.

Planning and preparation is being done by Mmes. H.J. Apalategue, G.M. Hendricks, Cecil Novinger, Fred Poolman, and president, Mrs. Paul Oberle.

## Local Airman Graduates With Honors

Airman Christopher J. Liebl, son of Mr. and Mrs. Robert M. Liebl of 632 Lori Way, Placentia, has graduated with honors at Chanute AFB, Ill., from the training course for U.S. Air Force aircraft electricians.

Airman Liebl, who was trained to inspect and repair aircraft electrical systems, is being assigned to March AFB, Calif., for duty with a unit of the Strategic Air Command.

## Miss Ledbetter Named Troy's Homemaker

Troy High School's 1971 Betty Crocker Homemaker of Tomorrow is senior Janine Ledbetter. According to Mrs. Norma Takesian, Miss Ledbetter was selected for her performance in a written knowledge and attitude examination administered to senior girls.

The student will receive a specifically designed award from General Mills, sponsor of the annual education program. In addition, Miss Ledbetter is now eligible for state and national honors, including one of 102 college scholarships totaling \$110,000.

The Betty Crocker Search for the American Homemaker of Tomorrow is the only national scholarship program exclusively for high school senior girls. It was established by General Mills in the 1954-55 school year.

These 1971 grants will bring the total amount of scholarships awarded dur-

ing its 17-year history to more than \$1 and 3/4 million. The 650,000 senior girls who enrolled this year bring the total participation since the start of the program to almost seven and three-quarters million.

## Park Hosts Meeting Of Purchasing Agents

Prompted by the ever spiraling cost of medical insurance and benefits, James Park, purchasing agent for the city of Placentia, called together representatives of all Orange County purchasing

agents and allied departments to meet in Placentia. The result of that meeting was an invitation from the Blue Cross of Southern California to host a breakfast meeting, which was held recently at the Alta Vista Country Club with 19 representatives from Orange County cities.

Park acted as host for the gathering and introduced the representatives of Blue Cross who outlined the proposals and policies of the company.
